

July 25, 2020

Dear Friends of Cloverleaf Family Bowl,

Cloverleaf Family Bowl originally opened in 1959 ... 61 years ago. On March 23, 1963, David and Marian Hillman became the proud owners of the bowling center.

Throughout the years, Cloverleaf Family Bowl has become one of the, if not THE BEST, bowling center in Northern California. Our reputation in the industry is 2nd to none.

Over the past 57 years, we have been fortunate to meet so many wonderful people and families. Some folks started bowling with us in 1963 and are still league bowling with us in 2020. Be it league, casual bowling, special events or tournaments, we were always appreciative to see you enter through our doors.

Through the past 4+ months, we have held out hope for a reopening date, a date that has not come from the State or County of Alameda. With the current status of the state of California, it appears that bowling is still months away from an opening date and especially in Alameda County.

At this time, we must share the tragic news that Cloverleaf Family Bowl will not be reopening. Due to the high monthly cost of sitting here without any income to offset such monthly costs as rent, utilities and insurance, just to name a few, we cannot continue to pay these bills.

We cannot THANK EVERYONE enough for the years of support of Cloverleaf Family Bowl. We wish everyone health and success in the days, weeks and months to come.

We will miss Cloverleaf Family Bowl. We will miss our family of staff. We will miss our community and the customers that supported us for so many years.

This has been a gut-wrenching sad time for our families and we have appreciated all of the support and wishes and prayers that you have provided. Thank you all!

The Chambers and Hillman Families
